Spotlight On ...

... Martiee Meyer

Martiee, a Junior, has lived all over the world but she is originally from Toledo, Ohio. She worked at the University of Louisville before coming to MTSA. It has been a lifelong goal for her to become a nurse and she says that there have been many rewarding experiences working with patients and families. She says what got her interested in anesthesia was when she met a CRNA on her OR orientation and she's been hooked ever since. After graduation her goal is to work in every Level I Trauma Center in the U.S. She also wants to go on several mission trips yearly. Martiee is married and has a 19 year old son. They also have quite an assortment of pets. There's Pearly & Kiki, the two Great Danes, Chico the Chihuahua, Stimpie, R.K. (Roadkill) and Blackie, all three are black cats. For fun, Martiee likes to do photography, hiking, traveling and seeing art museums. In five years from now she sees herself teaching and traveling. If she had the opportunity to go on a medical mission trip and could only bring 3 things, she said she would bring her camera, her Bible and her Laptop. Her words of wisdom to her classmates are, "We are all going to succeed!"

... Brad Paxton

Brad is also a junior and is originally from Paducah, Kentucky. He was working at Vanderbilt Registry prior to coming to MTSA. Advance Practice is what made him decide to go into the nursing profession. His most rewarding experience since becoming a nurse, he says, has been saving lives (also traveling to San Diego). The autonomy and the money is what attracted him to anesthesia. After graduation he plans on doing Locums. When asked if he was married or had any kids, his comment was, "Heck naw,...You crazy?!" Any pets? "Nope...to busy. It'd die within a week." For fun Brad likes to play softball, baseball and soccer. He also enjoys watching ESPN. In five years from now he sees himself either in his hometown, Paducah or in Southern California on the beach. If he had an opportunity to go on a medical mission trip and only bring 3 things, he said he would bring his Bible, toys for the little children and his IPOD. His words of wisdom are, "When trouble comes along, you must whip it... whip it good."

We are hoping that alumni can help us get updated information on their fellow alum. There is a large handful of people that we've lost track of. We can't send them newsletters or updates on the school or invitations to celebrations and we just feel awful about that! Below is the list of all the alumni we can't find. If you have any information to help us get back in touch with them, we would be eternally grateful. You can call Karin Vilanova at the school or email at Karin@mtsa.edu.
